Re: Docket No. 2004-316-C
Petition of BellSouth Telecommunications, Inc. To Establish
Generic Docket To Consider Amendments to Interconnection
Agreements Resulting From Changes of Law
SGS&L File No. 5671/1502

Dear Mr. Terreni:

On December 3, 2004, the Competitive Carriers of the South ("CompSouth") filed a Motion to Dismiss BellSouth's Petition to establish a Generic Proceeding. However, upon review of the Commission's agenda for December 21, 2004, CompSouth's Motion is not listed in Agenda Item Number 24. CompSouth respectfully requests the Commission consider its Motion along with the other motions at the meeting.

CompSouth also filed comments in a letter on Thursday, December 17 requesting the Commission not adopt BellSouth's proposed procedural schedule. CompSouth respectfully requests the Commission also consider these comments during its deliberation at its weekly meeting.

Thank you for your assistance with this matter. By copy of this correspondence I am serving parties of record.

Sincerely,

Robert E. Tyson, Jr.
